Product Name: **CFL'S CHEMICALLY FREE AIR FRESHENER**
Ingredients: Natural Amino Acids Derived from a fermentation extract

****SECTION 1****

PHYSICAL DATA

Boiling Point212 deg. F
Vapor Pressure.....17 mm Hg
Vapor Density..... N/A
Appearance and Odor:...Light blue and odorless

Sol. In Water.....: 100%
Specific Gravity....:1.050
% Volatile by vol...:N/A

****SECTION 2****

FIRE AND EXPLOSION HAZARD DATA

Flash point.....: Non-flammable
Method used.....: All
Extinguishing media.....: All
Special fire equipment...: None

****SECTION 3****

REACTIVE DATA

Stability.....: None
Incompatibility.....: None
Hazardous decomposition...: None
Hazardous polymerization...: None

****SECTION 4****

SPILL OR LEAK PROCEDURES

Actions for spills.....: Contain spill, mop up or vacuum
Disposal Methods...: Pour into drain

****SECTION 5****

HEALTH HAZARD DATA

Ingestion.....: None
Eye Contact....: None
Skin Contact...: None

******SECTION 6****** **FIRST AID**

Eyes.....: Irrigation with flowing water
Skin.....: Wash in flowing water

******SECTION 7****** **SPECIAL HANDLING INFORMATION**

Ventilation.....: None
Protective Clothing..: None
Eye Protection.....: None

******SECTION 8****** **SPECIAL PRECAUTIONS & ADDITIONAL INFORMATION**
